Deadwood Historic Preservation Officer

Paint Grant Program - Policy Guidelines

1. Statement of Purpose and Objectives:

The City of Deadwood, South Dakota, is designated as a National Historic Landmark and is listed on both the National and State Registers of Historic Places. The Deadwood Historic Preservation Commission recognizes pride of ownership is a valuable resource and improves the quality of life in this community. With this in mind, the Historic Preservation Commission has established the Paint Grant Program to inspire property maintenance and improvement of Deadwood's historic neighborhoods and commercial district. Use of the Paint Grant Program is expected to preserve and protect Deadwood's historic resources and make the City more attractive for residents, business owners and visitors alike.

2. Eligibility:

To be eligible for the Paint Grant Program, a property must meet the following qualifications:

- The property must be located within the Deadwood city limits.
- The property, commercial or residential, must be at least twenty years of age or older.
- The property must not have used the Paint Grant Program in the previous five (5) years.
- The Paint Grant Program is only available for exterior surfaces.

3. Grant Requirements:

- a. Paint removal, surface preparation, and other procedures must be approved by Historic Preservation staff.
- b. Paint, primer, and caulk must be purchased using the voucher provided by the Deadwood Historic Preservation Office. The expenditure of grants for each project shall not exceed \$1,000.00 for paint, primer, peel stop and caulk.
- c. The Historic Preservation Officer or his/her designee must approve paint color selections. Exterior sealants and color schemes must be appropriate to the building's style, type, and location. Guidelines for the appropriate selection of paint colors and color schemes may be found within the historic preservation section at the Deadwood Public Library or at the Historic Preservation Office. Painting within the local historic district will require a Certificate of Appropriateness.
- d. Once a project is approved, the Deadwood Historic Preservation Office will provide Twin City Hardware with a voucher to purchase the paint, primer, peel stop, and caulk. The applicant will be informed by e-mail or phone when approved or denied.
- e. The project must be completed within one year from the date of issuance of the voucher. A one-time extension is available for up to one year by request and are subject to Historic Preservation Office approval.
- f. The Paint Grant Program will continue so long as funds are available. In the event funds for this program become limited, a priority system will be adopted for project approval. The Historic Preservation Commission may terminate the program at any time.
- g. An excellent resource for exterior painting is Preservation Brief 10: Exterior Paint Problems on Historic Woodwork, written by Kay D. Weeks and David W. Look and published by the National Park Service. A copy is available at the Historic Preservation Office or online at www.cityofdeadwood.com.
